Company report: CELLNEX TELECOM SA 

Company Profile

Cellnex Telecom SA engages in the operation of wireless telecommunications and broadcasting infrastructures. Its business activities include rental of sites for telecom operators, broadcast infrastructure activity, and other network services. It operates through the following segments: Telecom Infrastructure Services, Broadcasting Infrastructure and Other Network Services. The Telecom Infrastructure Services segment provides integrated network infrastructure services to enable access to the Group's telecom infrastructure by MNOs, other wireless telecommunications, broadband network operators, among others, allowing such operators to offer their own services to their customers. The Broadcasting Infrastructure segment offers nationwide coverage of the digital terrestrial television ("DTT") service (source: CNMC). The Other Network Services segment provides the infrastructure required to develop a connected society by providing network services such as data transport, security and control, Smart communication networks including Internet of Things ("IoT"), Smart services, managed services and consulting, as well as optic fiber services. The company was founded on June 25, 2008 and is headquartered in Barcelona, Spain.
