Company report: COMPUTERSHARE  
LTD.

### Company Profile

Computershare Ltd. engages in the provision of investor services, plan services, communication services, business services, stakeholder relationship management services, and technology services. It operates through the following segments: Issuer Services, Mortgage Services and Property Rental Services, Employee Share Plans and Voucher Services, Business Services, Communication Services and Utilities, Computershare Corporate Trust, and Technology Services. The Issuer Services segment comprises register maintenance, corporate actions, stakeholder relationship management, corporate governance and related services. The Mortgage Services and Property Rental Services segment provides mortgage servicing and related activities, together with tenancy bond protection services in the UK. The Employee Share Plans and Voucher Services segment is involved in the administration and related services for employee share and option plans, together with Childcare Voucher administration in the UK. The Business Services segment offers bankruptcy, class actions, and corporate trust administration services. The Communication Services and Utilities segment focuses on the document composition and printing, intelligent mailing, inbound process automation, scanning, and electronic delivery. The Computershare Corporate Trust segment refers to the trust and agency services in connection with the administration of debt securities in the US. The Technology Services segment includes the provision of software in share registry and financial services. The company was founded by Christopher John Morris in 1978 and is headquartered in Melbourne, Australia.
