## Company Profile

CRH Plc manufactures and distributes building materials and products for the construction industry. It operates business through the following segments: Americas Materials Solutions, Americas Building Solutions, Europe Materials Solutions, and Europe Building Solutions. The Americas Materials Solutions segment provides solutions for the construction and maintenance of public infrastructure and commercial and residential buildings in North America. The Americas Building Solutions segment manufactures, supplies and delivers solutions for the built environment in communities across North America. The Europe Materials Solutions segment provides solutions for the construction of public infrastructure and commercial and residential buildings to customers in construction markets in Europe. The Europe Building Solutions segment combines materials, products and services to produce a wide range of architectural and infrastructural solutions for use in the building and renovation of critical utility infrastructure, commercial and residential buildings, and outdoor living spaces. CRH was founded on June 20, 1949 and is headquartered in New York, NY.
