### Company Profile

Jack Henry & Associates, Inc. is a financial technology company, which engages in the provision of technology solutions and payment processing services. It operates through the following segments: Core, Payments, Complementary, and Corporate and Other. The Core segment provides core information processing platforms to banks and credit unions which consist of integrated applications required to process deposit, loan, and general ledger transactions, and maintain centralized customer and member information. The Payments segment includes secure payment processing tools and services including ATM, debit, and credit card processing services, online and mobile bill pay solutions, ACH origination and remote deposit capture processing, and risk management products and services. The Complementary segment focuses on additional software, hosted processing platforms, and services including call center support, network security management, consulting, and monitoring. The Corporate and Other segment offers hardware and other products. The company was founded by Jerry D. Hall and John W. Henry in 1976 and is headquartered in Monett, MO.
