Company report: NEMETSCHKE SE

Company Profile

Nemetschek SE engages in the provision of software solutions for the spectrum of building and infrastructure projects. It operates through the following segments: Design, Build, and Manage. The Design segment contains the architecture and engineering division and is mainly characterized by the development and marketing of computer-aided design, static engineering, and tender software. The Build segment covers the creation and marketing of commercial software for construction companies. The Manage segment oversees facility and property management, which involves the extensive administration of property development projects. The company was founded by Georg Nemetschek in 1963 and is headquartered in Munich, Germany.
