### Company Profile

Targa Resources Corp. provides midstream natural gas and natural gas liquids services. It also provides gathering, storing, and termining crude oil, and storing, termining, and selling refined petroleum products. It operates through the Gathering and Processing and Logistics and Transportation segments. The Gathering and Processing segment includes assets used in the gathering of natural gas produced from oil and gas wells and processing this raw natural gas into merchantable natural gas by extracting NGLs and removing impurities, and assets used for crude oil gathering and termining. The Logistics and Transportation segment focuses on the activities necessary to convert mixed NGLs into NGL products and provides certain value-added services such as the storing, fractionating, termining, transporting and marketing of NGLs and NGL products, including services to LPG exporters, and the storing and termining of refined petroleum products and crude oil and certain natural gas supply and marketing activities in support of its other businesses. The company was founded in October 2005 and is headquartered in Houston, TX.
