Company report: METTLER-TOLEDO INTL INC. 

### Company Profile

Mettler-Toledo International, Inc. engages in the provision of precision instruments and services. The firm manufactures weighing instruments for use in laboratory, industrial, packaging, logistics, and food retailing applications. It also manufactures several related analytical instruments and provides automated chemistry solutions used in drug and chemical compound discovery and development, metal detection and other end-of-line inspection systems used in production and packaging and provides solutions for use in certain process analytics applications. It operates through the following segments: U.S. Operations, Swiss Operations, Western European Operations, Chinese Operations, and Other. The U.S. Operations segment represents certain of the company's marketing and producing organizations located in the United States. The Swiss Operations segment is involved in the marketing and producing organizations located in Switzerland, as well as extensive research and development operations that are responsible for the development, production, and marketing of precision instruments, including weighing, analytical, and measurement technologies for use in a variety of industrial, and laboratory applications. The Western European Operations segment includes marketing and producing organizations in Western Europe, excluding operations located in Switzerland. The Chinese Operations segment focuses on marketing and producing organizations located in China. The Other segment refers to the operations that exist outside these reportable segments. The company was founded in 1991 and is headquartered in Columbus, OH.
