 Advantages

Broadly diversified investment in North American stocks (US and Canada). Participation in ecologically, morally and socially operating companies. Active stock selection based on fundamental criteria. Opportunities for attractive capital appreciation.

 Details you should be aware of

The price of the funds can fluctuate considerably (high volatility). Due to the investment in foreign currencies, the fund value can fluctuate due to changes in the exchange rate. Capital loss is possible. Risks that may be significant for the fund are in particular: credit and counterparty risk, liquidity risk, custody risk, derivative risk and operational risk. Comprehensive information on the risks of the fund can be found in the prospectus or the information for investors pursuant to § 21 AIFMG, section II, "Risk information".

Performance goal and investment strategy

ERSTE RESPONSIBLE STOCK AMERICA is a sustainability equity fund that primarily invests in shares of selected companies based on stock exchange listed in North America. The fund's investment process is based on fundamental business analysis. When selecting stocks, high-quality, high-growth companies are used. Investing in shares of companies that are pioneers in terms of ecological, social and governance aspects is the focus of the investment decision. A holistic ESG approach also takes ethical aspects into account. Hedging against foreign currency risks is generally not provided, but is possible.
