## Company Profile

EVN AG engages in the provision of electricity and natural gas utility services. It operates through the following segments: Energy, Generation, Networks, South East Europe, Environment, and All Other. The Energy segment deals with the procurement of electricity, natural gas, and energy carriers. The Generation segment offers electricity generation from thermal sources and renewable energies. The Networks segment operates distribution network and network infrastructures for electricity and natural gas. The South East Europe segment sells electricity to end customers in Bulgaria and Macedonia and generates electricity from hydropower. The Environment segment provides drinking water supplies, wastewater disposal and thermal waste incineration services, combined cycle heat, and power co-generation plants. The All Other segment covers corporate services. The company was founded in 1922 and is headquartered in Maria Enzersdorf, Austria.
