 Advantages	 Details you should be aware of
Broadly diversified investment in European stocks. Participation in ecologically, morally and socially operating companies. Active stock selection based on fundamental criteria. Opportunities for an attractive increase in value.	The price of the funds can fluctuate considerably (high volatility). Due to the investment in foreign currencies, the fund value can fluctuate due to changes in the exchange rate. Capital loss is possible. Risks that may be significant for the fund are in particular: credit and counterparty risk, liquidity risk, custody risk, derivative risk and operational risk. Comprehensive information on the risks of the fund can be found in the prospectus or the information for investors pursuant to § 21 AIFMG, section II, "Risk information".

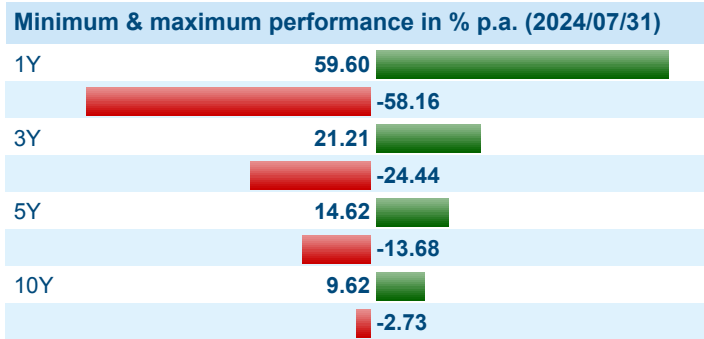

Performance goal and investment strategy

ERSTE RESPONSIBLE STOCK EUROPE is a sustainable equity fund that primarily invests in shares of selected companies based or stock exchange listed in Europe. The fund's investment process is based on fundamental business analysis. When selecting stocks, high-quality, high-growth companies are used. Investing in shares of companies that are pioneers in terms of ecological, social and governance aspects is at the forefront of the investment decision. A holistic ESG approach also takes ethical aspects into account. Hedging against foreign currency risks is generally not provided, but is possible.
