Performance goal and investment strategy

YOU INVEST GREEN balanced offers investors a dynamic mix of different asset classes. Within the YOU INVEST product family for private customers, it is the fund with a balanced risk appetite and suitable for long-term capital accumulation. A balanced ratio of opportunities and risks favours this solution. The portfolio is continuously monitored by our experts and regularly optimized in line with current market opportunities. The fund management is managed within a comprehensible and structured investment process. Investment decisions align with the ERSTE AM responsible approach, considering sustainable and ethical selection criteria. The fund invests up to 30% in equities or equity funds and up to 100% in bonds or bond funds.
