Performance goal and investment strategy

YOU INVEST GREEN solid offers investors a dynamic mix of different asset classes. Within the YOU INVEST product family for private customers, it is the fund with the lowest risk appetite and suitable for long-term capital accumulation. In return, a correspondingly lower increase in value is expected. The focus is on price stability. The portfolio is continuously monitored by our experts and regularly optimized in line with current market opportunities. The fund management is managed within a comprehensible and structured investment process. Investment decisions align with the ERSTE AM responsible approach, considering sustainable and ethical selection criteria. The fund invests up to 10% in equities or equity funds and up to 100% in bonds or bond funds.
