<div><div></div><div>Advantages</div></div> <div>Broad risk diversification through the selection of local currencies from a wide range of emerging markets. Supranational issuers and development banks usually have a high credit rating. High earnings potential in the long term. Opportunity for high annual distributions.</div>	<div><div></div><div>Details you should be aware of</div></div> <div>Emerging markets are traditionally subject to high fluctuations. Due to the investment in foreign currencies, the fund share may be adversely affected by exchange rate fluctuations. Capital loss is possible. Risks that may be of significance for the fund are in particular: credit and counterparty risk, liquidity risk, custody risk, derivative risk and operational risk. Comprehensive information on the risks of the fund can be found in the prospectus and the information for investors pursuant to Section 21 AIFMG, Section II, chapter "Risk information".</div>

Performance goal and investment strategy

ERSTE RESPONSIBLE BOND EM LOCAL invests primarily in bonds from supranational issuers and development banks that are denominated in the local currencies of the respective emerging markets. In particular, currencies from countries in Central and Eastern Europe, Asia, Latin America and Africa are selected. Government bonds from emerging markets in local currencies may be added. Environmental, social and corporate governance factors are integrated into the investment process as part of a holistic ESG approach.

Upozornění na riziko podle rakouského zákona o investičních fondech 2011

Since the history of the fund is very short, this performance chart is of little significance. In accordance with the fund regulations approved by the Austrian Financial Market Authority, the ERSTE RESPONSIBLE BOND EM LOCAL intends to invest more than 35% of its fund assets in securities and/or money market instruments of member states, local authorities or international organizations under public law. A detailed list of these can be found in the prospectus, section II, point 12.
