Company Profile

Barco NV engages in the designing and development of visualization solutions. It operates through the following business segments: Entertainment, Enterprise, and Healthcare. The Entertainment segment focuses on the delivery of projection, lighting, LED, and software solutions for professional markets, such as cinema, venues and hospitality, retail, and advertising. The Enterprise segment is involved in both the corporate and the control rooms market and offers visualization solutions with video walls, corporate projectors in combination with collaboration software, networking, and connectivity capabilities. The Healthcare segment offers displays for the diagnostic and modality imaging in radiology, mammography, surgery and dentistry, along with digital networked solutions for the operating room and point-of-care devices. The company was founded by Lucien De Puydt in 1934 and is headquartered in Kortrijk, Belgium.
