Company Profile

Zurich Insurance Group AG is a holding company, which engages in the provision of insurance products and related services. It operates through the following segments: Property and Casualty Regions, Life Regions, Farmers, Group Functions and Operations, and Non-Core Businesses. The Property and Casualty Regions segment provides motor, home and commercial products and services for individuals, as well as small and large businesses on both a local and global basis. The Life Regions segment refers to the comprehensive range of life and health insurance products on both an individual and a group basis, including annuities, endowment and term insurance, unit-linked and investment-oriented products, as well as full private health, supplemental health and long-term care insurance. The Farmers segment includes non-claims administrative and management services to the Farmers Exchanges, which are owned by policyholders. The Group Functions and Operations segment comprises the Group's Holding and Financing and Headquarters activities.
