Company Profile

HUBER+SUHNER AG engages in the provision of electrical and optical connection technology products. It operates through the following segments: Industry, Communication, Transportation. The industry segment in electrical and optical connectivity is developing advanced and differentiated solutions for demanding applications in various industrial markets. The Communication segment combines profound technical expertise with extensive customer intimacy to meet the needs of mobile networks, fixed access networks, data centers and communication equipment manufacturers. The Transportation segment addresses the mobility needs of today and tomorrow in the railway and automotive markets. The company was founded in April 1969 and is headquartered in Pfäffikon, Switzerland.
