Company Profile

Jyske Bank A/S engages in the provision of banking products and services to private customers, small and medium-sized companies, and public institutions. It operates through the following segments: Banking Activities, Mortgage Activities, and Leasing Activities. The Banking Activities segment cover advisory services relating to traditional financial solutions targeting personal and private banking clients as well as corporate clients and trading and investment activities targeting large corporate clients, and institutional clients, including trading in interest-rate products, currencies, equities, commodities, and derivatives. The Mortgage Activities segment consists of financial solutions for the financing of real property carried out by Jyske Realkredit. The Leasing Activities segment focuses on financial solutions in the form of leasing and financing within car financing as well as leasing, and financing of equipment for the corporate sector. The company was founded on July 7, 1967 and is headquartered in Silkeborg, Denmark.
