Company Profile

Laboratorios Farmaceuticos Rovi SA engages in the research, development, manufacture, and marketing of small molecule and specialty biologic drugs. It operates through the following business segments: Manufacturing, Marketing, and Other. The Manufacturing segment obtains its income from service contracts that relate to the finalization of the pharmaceutical product production process for external entities and the manufacture of products to be subsequently marketed by other group companies. The Marketing segment purchases and sells pharmaceutical products. The Other segment includes other services, research, and development activities that are not significant for the group. The company was founded on December 21, 1946 and is headquartered in Madrid, Spain.
