Company Profile

VINCI SA engages in the design, building, finance and management of facilities for transport systems, public and private buildings and urban development and water, energy and communication networks. The company operates through the following business segments: Concessions and Contracting. The Concessions segment develops and operates motorway, transport infrastructures, and public facility concessions. The Contracting segment includes electrical works and engineering, information and communication technology; heating ventilation and air conditioning engineering, insulation, building and maintenance of roads and motorways, production of road-building materials, urban infrastructure, environmental work and demolition and recycling. The company was founded by Alexandre Giros and Louis Loucheur in 1899 and is headquartered in Rueil-Malmaison, France.
