Company Profile

Webuild SpA engages in the provision of construction services. It operates through the Construction and Concessions business segments. The Construction segment encompasses all projects relating to the construction of large-scale infrastructure, such as dams, hydroelectric plants, motorways, railways, metros, underground works, bridges, and similar works. The Concessions segment deals with its investments in subsidiaries and other investees, almost entirely abroad, which hold concessions mainly for the management of motorway networks, plants that generate energy from renewable sources, electricity transmission, integrated cycle water systems, and the management of non-medical hospital service activities. The company was founded in 1906 and is headquartered in Milan, Italy.
