Company Profile

ASM International NV engages in the research and development, design, manufacture, and sale of equipment, and provision of service to customers for the production of semiconductor devices and integrated circuits. It operates through the Front-end and Back-end segments. The Front-end segment manufactures and sells equipment used in wafer processing, encompassing the fabrication steps in which silicon wafers are layered with semiconductor devices. The Back-end segment manufactures and sells equipment and materials used in assembly and packaging, encompassing the processes in which silicon wafers are separated into individual circuits and subsequently assembled, packaged, and tested. The company was founded by Arthur H. del Prado on March 4, 1968 and is headquartered in Almere, the Netherlands.
