Company Profile

DuPont de Nemours, Inc. is a holding company, which engages in the development of specialty materials, chemicals, and agricultural products. It operates through the following segments: Electronics and Industrial, Water and Protection, and Corporate and Others. The Electronics and Industrial segment involves the supply of differentiated materials and systems for a broad range of consumer electronics including mobile devices, television monitors, personal computers and electronics used in a variety of industries. The Water and Protection segment focuses on the provision of engineered products and integrated systems for many industries including worker safety, water purification and separation, aerospace, energy, medical packaging and building materials. The company was founded in 1897 and is headquartered in Wilmington, DE.
