Company Profile

GoDaddy, Inc. engages in the provision of simple and easy-to-use products on a single technology platform wrapped with personalized guidance. It operates under the Applications and Commerce (A and C) and Core Platform (Core) segments. The A and C segment includes selling products containing proprietary software, commerce products, third-party email, productivity solutions, and certain products included in bundled offerings of proprietary software products. The Core segment includes domain registrations and renewals, aftermarket domain sales, website hosting products, website security products not included in bundled offerings of proprietary software, and products that do not contain a software component. The company was founded by Robert R. Parsons in 1997 and is headquartered in Tempe, AZ.
