Company Profile

The Goldman Sachs Group, Inc. engages in global investment banking, securities, and investment management, which provides financial services. It operates through the following business segments: Investment Banking, Global Markets, Asset Management, and Consumer & Wealth Management. The Investment Banking segment serves public and private sector clients around the world and provides financial advisory services, helping companies raise capital to strengthen and grow their businesses and provide financing to corporate clients. The Global Markets segment serves its clients who buy and sell financial products, funding and managing risk. The Asset Management segment provides investment services to help clients preserve and grow their financial assets. The Consumer & Wealth Management segment helps clients to achieve their individual financial goals by providing wealth advisory and banking services. The company was founded by Marcus Goldman in 1869 and is headquartered in New York, NY.
