Company Profile

Hewlett Packard Enterprise Co. is a global edge-to-cloud company, which engages in the provision of information technology, technology and enterprise products, solutions, and services. It operates through the following segments: Compute, High Performance Computing & Artificial Intelligence (HPC and AI), Storage, Intelligent Edge, Financial Services, and Corporate Investments and Other. The Compute segment includes both general purpose servers for multi-workload computing and workload optimized servers to offer the best performance and value for demanding applications. The HPC and AI segment offers standard and custom hardware and software solutions designed to support specific use cases. The Storage segment provides workload optimized storage product and service offerings, which include an intelligent hyperconverged infrastructure with HPE Nimble Storage dHCI and HPE SimpliVity. The Intelligent Edge segment offers wired and wireless local area network, campus and data center switching, software-defined wide-area-network, network security, and associated services to enable secure connectivity for businesses of any size. The Financial Services segment provides flexible investment solutions, such as leasing, financing, IT consumption, utility programs, and asset management services for customers that facilitate technology deployment models and the acquisition of complete IT solutions, including hardware, software, and services from Hewlett Packard Enterprise and others. The Corporate Investments and Other segment includes the A & PS business that primarily offers consultative-led services, HPE and partner technology expertise and advice, implementation services as well as complex solution engagement capabilities, the Communications and Media Solutions business, the HPE Software business, and Hewlett Packard Labs. The company was founded on July 2, 1939 and is headquartered in Spring, TX.
