Company Profile

Nordson Corp. engages in the engineering, manufacture and market of products and systems used for adhesives, coatings, sealants, biomaterials and other materials. It operates through the following segments: Industrial Precision Solutions and Advanced Technology Solution. The Industrial Precision Solutions segment enhances the technology synergies between adhesive dispensing systems and industrial coating systems to deliver proprietary dispensing and processing technology to diverse end markets. The Advanced Technology Solution segment integrates proprietary product technologies found in progressive stages of a customer's production processes, such as surface treatment, precisely controlled dispensing of material and post-dispense test and inspection to ensure quality. The company was founded by Eric T. Nord, Evan W. Nord and Walter G. Nord in 1954 and is headquartered in Westlake, OH.
