## Company Profile

Packaging Corporation of America engages in the production of container products. It operates through the following segments: Packaging, Paper, and Corporate and Other. The Packaging segment offers a variety of corrugated packaging products, such as conventional shipping containers. The Paper segment manufactures and sells a range of papers, including communication-based papers, and pressure sensitive papers. The Corporate and Other segment focuses on transportation assets, such as rail cars, and trucks. The company was founded in 1959 and is headquartered in Lake Forest, IL.
