## Company Profile

Prudential Financial, Inc. engages in the provision of insurance, investment management, and other financial products and services. It operates through the following segments: Prudential Investment Management, Inc. (PGIM), U.S. Businesses, International Businesses, and Corporate and Others. The PGIM segment involves the provision of investment management services and solutions related to public fixed income, public equity, real estate debt and equity, private credit and other alternatives, and multi-asset class strategies. The U.S. Businesses segment includes retirement strategies, group insurance, and individual life. The International Businesses segment focuses on investing in existing businesses and assessing acquisition opportunities. The Corporate and Other Operations segment involves the corporate items and initiatives not allocated to business segments. The company was founded by John Fairfield Dryden in 1875 and is headquartered in Newark, NJ.
